PLEASE NOTE OUR NEW ATTENDANCE POLICY

In an effort to combat the kennel cough germ that has been so prevalent throughout the Greater Lansing Community in recent months, **we ask that you respectfully keep your dog home from Doggy Daycare and Spa for a minimum of 10 days if he/she does any of the following:**

- **Attends daycare, boards, or is groomed at another facility.**
- **Attends group classes at another facility.**
- **Visits a dog park or similar environment or associates with dogs who do.**

At Doggy Daycare and Spa, we take the health and safety of every dog very seriously. We are very thorough in our requirements, including vaccinations, as well as our day to day cleaning and disinfecting. We also have air exchange systems in both of our custom built facilities. While these things are extremely helpful in minimizing the spread of germs, there are times when dogs may still get sick after attending Doggy Daycare and Spa by simply being exposed to a dog who is contagious and not yet showing symptoms. This is just one more attempt to

help us keep germs out of our facilities and we appreciate your understanding and compliance to our policy.

If you have any questions, please do not hesitate to contact Janice at (517) 333-WOOF ext. 4 or via email janice@doggydaycareandspa.com.

Just a Few Reminders!

 While we are currently not at capacity for Daycare at either facility, we do like to know who to expect each day. If you would like to bring your dog to Daycare, or need to change his/her schedule, simply give us a call at (517) 333-WOOF, ext 1 for Lansing or ext 2 for Okemos. If we are unable to personally answer the phone, simply leave us a voicemail letting us know you will be bringing your dog in. Or if it is easier, feel free to shoot us a quick email at info@doggydaycareandspa.com.

 If you have an excess of plastic shopping bags, we are happy to take them off your hands at either one of our facilities.

 If you have moved, gotten a new phone number (or email address), or need to update your emergency contact information, please let one of our team members know so we can update our system. It is important that we have accurate contact information should the need arise for us to get ahold of you.

 Did you know that you are our best advertising? For every new dog you refer to Doggy

Daycare and Spa for Daycare, Boarding or Grooming, we will put a \$20 credit on your account for you to use towards any of our services. It is just our way of saying “WOOF!” (That’s dog for “Thanks!”)
